SEARCHING FOR \$650,000 NECKLACE
Paris, July 24.—According to the Matin the Paris police are investigating a promising clue to the missing \$650,000 pearl necklace, which recently disappeared from the registered mail in transit between Paris and London. They were informed today that a Parisian jeweler or a few days ago brought a quantity of pearls and diamonds from a man through whom they think it may be possible to trace the theft.

SAVE DOG FROM NIAGARA FALLS
Niagara Falls, N. Y., July 24.—Two men risked going over the American Falls that they might save a small dog which was clinging to some rocks only a short distance above the cataract late last evening.
The animal had been running along the river bank and slipped into the water about 100 feet above the falls. It was quickly swept down the river but finally managed to get a slight foothold and cling for his life. Park Constable Alexander and Grank Blasbrock went to the rescue. Glassbrook grasped Alexander's hand and waded into the swift current. He reached the dog and brought it safely to shore.
A woman who saw the rescue asked for the dog as a souvenir and it was given to her.
